

FT/IFC Transformational Business Awards 2016

APPLICATION GUIDELINES

Please note that there are two city related awards:

Achievement in Low-Carbon Urban Transformation: The award for Achievement in Low-Carbon Urban Transformation highlights innovative projects and transactions that address challenges around energy demand and supply, environmental decay and other climate change-related issues in developing economies, with a focus on urban areas. This category is open to private sector businesses only.

Special Award: Excellence in City Transformation. This award is broader in scope and is directly supported by the Cities Alliance. The award seeks nominations for cities that have, **since 2010**, demonstrated tangible progress towards city-wide, integrated reforms, covering one or more of the following parameters: Environmental; social; governance; economic; and services. This award is open to city governments only. Private sector organisations are not eligible to participate.
