UNIVERSITY ALLIANCE OF THE NEW SILK ROAD

On January 22nd, 2015, XJTU proposed and establish UANSR. 154 universities from 38 countries and regions joined the alliance to promote the cooperation in higher education & work together to build a bright future

Innovation Harbor

On August 19th, 2015, XJTU started to build its' new campus—Innovation Harbor with the support from Ministry of Education and Shaanxi Provincial Government. Our new campus contains 29 research institutes and over 300 research centers.

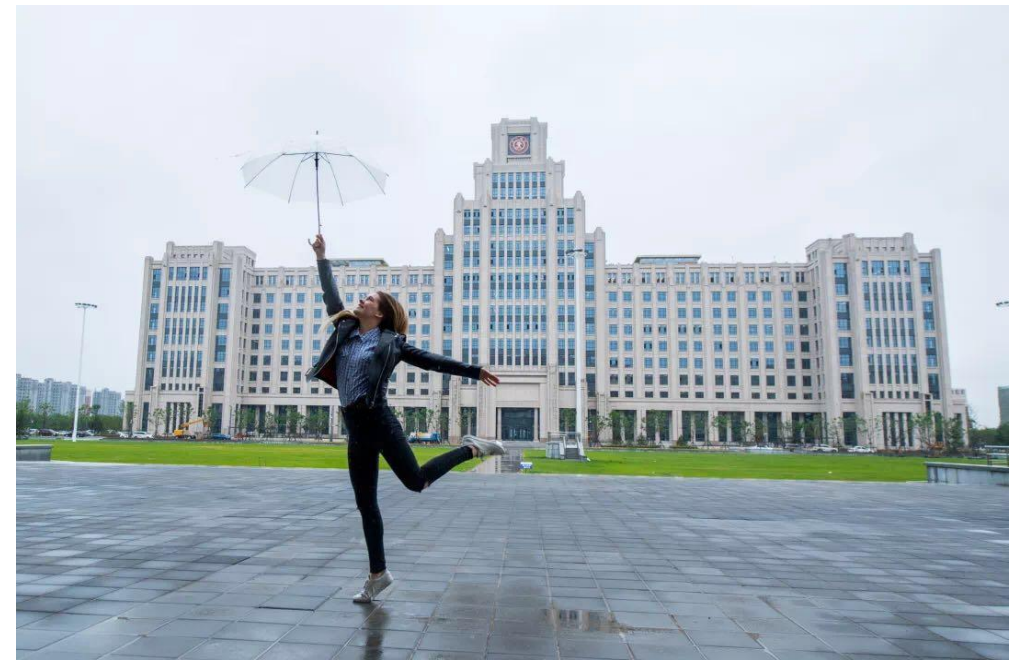

Degree Course

Bachelor (4-5 years)

Master (2-3 years)

PhD (3-6 years)

Non-Degree Course

Chinese language program

Visiting scholar program

Foundation Program

A Comprehensive University in China

10 Subjects

- Engineering
- Management
- Economics
- Law
- Literature
- Education
- Science
- Art
- Philosophy
- Medicine

26 Schools

- School of Science
- School of Mathematics & Statistics
- School of Mechanical Engineering
- School of Electrical Engineering
- School of Energy and Power Engineering
- School of Electronic & Information Engineering
- School of Software Engineering
- School of Materials Science & Engineering
- School of Human Settlement and Civil Engineering
- School of Life Science & Technology
- School of Aerospace
- School of Chemical Engineering & Technology
- School of Medicine
- School of Economics and Finance
- School of Management
- School of Public Policy & Administration
- School of Humanities & Social Sciences
- School of Law
- School of International Studies
- Jinhe Center For Economic Research
- School of Continuing Education
- School of International Education
