Please comment:

1. Explain how the field of human rights, SDGs, and gender equality relates to your professional role and/or professional plans and interests?

2. Are there any particular areas related to course topics which you would like us to focus on in the course? Please elaborate any suggestions of what, how, why?

3. Are there any particular areas related to course topics which are particularly interesting for your institution? (Kindly consult your relevant supervisor to respond to this question).

4. What are your expectations for the training?

5. Please describe your commitment in integrating human rights-based approaches into your city's recovery and resilience policies and programmes as the follow up of the training?

Thank you for responding to all questions above. This will help us make the course as useful and relevant as possible for our participants
