01

The First Highlight of Cool Guiyang: Body Refreshment

Five-Day Roadside Concert Held at Zhucheng Square, Guiyang, During the 2024 May Day Holiday

Fun Water Activities at the Pingqiao Section of the Huaxi River Offering an Escape from the Summer Heat

Confucius Academy

Located at 26 degrees north latitude and an average elevation of 1,100 meters, Guiyang boasts an ideal blend of latitude and height, creating the most beautiful natural landscapes and the most livable environment.

The city boasts an average summer temperature of 22.3 ° C and a relative humidity ranging from 76% to 79%, presenting the perfect blend of temperature and humidity.

In Guiyang, the negative oxygen ions per cubic centimeter surpass 10,000 and the average wind speed is below three meters per second. The city's fresh air embraces gentle breezes, inviting people to bask in an ocean of oxygen and move with the wind's graceful rhythm.

02

The Second Highlight of Cool Guiyang: Mental Refreshment

Forty thousand years ago, the ancestors of Guizhou settled in Zhaogudong Cave, Gaofeng Town.

Zhaogudong Cave Site and Some Bone and Horn Artifacts Unearthed There

Two thousand years ago, the enigmatic Yelang Kingdom wove its mysteries into the fabric of the Han Empire.

Qingyan Ancient Road, A Vital Channel for Tea-Horse Trade

A thousand years ago, following the Song Dynasty, the historic Qingyan Ancient Road emerged as a vital channel for tea-horse trade and commerce.

Yangming Cave Site

Five hundred years ago, Chinese philosopher Wang Yang-ming sought enlightenment in Longchang, Xiuwen County, unveiling the profound doctrine of "the unity of knowing and acting."

03

The Third Highlight of Cool Guiyang: Picturesque Scenery

Guiyang, with its verdant mountains and sparkling rivers, stands as a city that seamlessly blends parks and forests, showcasing distinctive natural beauty.

Among the skyscrapers of the city center, one can enjoy natural charm. Strolling through woodlands and meadows, one can explore the city's essence. The streets and lanes also offer the delights of lakes and greenery.

Guiyang people, with the best knowledge of the harmony between humanity and nature, have deeply immersed the balanced urban living and natural surroundings into their blood and soul.
